trial at playing the "morry monarch" again i

tion that if he failed to give natisfaction in three

vents, be was to be removed at the expiration

of that period, with the forfeiture of all future

chaims for pension, de on the British Govern-

mont. But it seems he thought better over it and

moreover, heing informed that the Governor-Ge-

neral had already stated his unwillingness to for-

to the Oceen, there was an end of the matter.

-The Maulmain Advertiser. Friend of India. It may sound strangely in Enrope, but it is nevertheless the fact, that New York, whatever may be the case in other cities and districts of the Union, has almost ceased to look at the war from a political or patriotic point of view, and that it is far more alarmed at the financial consequence of peace and a reconstruction of the Union that at any possible prolongation of bestifities: A victory or a defeat, or even such an avent as the evacuation of Charleston is mainly of interest or importance because it sends up or sends down the price of gold and stocks, enables the gamblers of Vall and William streets, and the Fifth-avence Hotel (the latter gamble hy night, and the former by day.) to buy or sell fletitious gold or shares, and to grow rich or become poor by the early possession of exclusive information, which they turn to account in their hazardous but facinating and Boys Room. business. A greedy just of gain bas taken possess sion of all men's minds, and has infected even the women, with whom it is as familiar to atkene and other " How's good to-day P" as it was in healtheir times to inquire after husband or children or the style of the last new honnet. But so flerce is the money mania of the times that even gold and stocks as influenced in price by the war, seem as if they would be deposed from their pro-emineon in favour of perpoleum, the price of which is in no way affooted by the progress of hostilities. Everybody that possumes a few acres of land in the immense district of country from Canada to Penay vanish which produces petroleum is boring and diggin for oil-wells. To "strike oil" is to become ric at a bound, and farms on which the precious commodity has been discovered, that were formerly considered doar at \$5 or \$10 per sore, now sell for thrice as many thousands. The portion (America in which the oil is found is called, by a preversion of the Spanish El Dorado, the "Gil Doeado" Nine tenths of speculative energy and intellect of this city have been absorbed in this new mania Petroleum companies are established by scores and hundreds, and "Shoddy" himsel a pushed from his stool, as a thing of the past, by the Oil King, who albows him out of society, out glitters bim in Diamonds, outdinners him at Del-
